

Remnant Excel Education Center presents

C.A.P.E.
Afterschool Enrichment Program
For
School- Aged Children

The C.A.P.E. Program is a total learning center for elementary school- aged children focusing on various areas of development.

- ✚ Creativity through various forms of Art
- ✚ Academics through Homework Helpers, Tutorials, and Focused Strategies
- ✚ Physical Fitness by learning the importance of exercise and healthy living
- ✚ Empowerment by learning how to handle money and entrepreneurship development

Our mission is to enrich every participant's life through academics, nurturing, and exposure while still rejoicing in their youthful innocence. We recognize that what we learn as young people make a lasting impact on our lives. Therefore, at REEC, we believe in the importance of creating positive experiences in a nurturing environment to enhance their quality of life as adults.

The program is available afterschool on each day that Richmond Public Schools is in session and on full days when school is closed, with the exception of selected holidays.

Frequently Asked Questions

What is Focused Strategies? Focused Strategies is our program that eliminates areas of academic weakness identified by parents. Instructors and volunteers will work with study aids on premises to strengthen the child's understanding and comprehension in those areas.

What Does REEC provide each child? Remnant Excel Education Center will provide an afterschool snack, beverage, and transportation if necessary.

Who volunteers to teach the courses? Instructors at the center are made up of employees, high school volunteers, and community business leaders and professionals. Everyone who works with the children are subject to criminal background checks to ensure your children's safety.

What happens on full days? Field trips or special activities will be planned occasionally. Parents will be notified.

Is the center open on school snow days? No. Transportation will not be provided on days that close early due to inclement weather.
